

Edison Anys

MACHINE LEARNING ENGINEER

Executive Profile

Machine Learning Engineer seeking roles in Machine Learning, Natural Language Processing, Artificial Intelligence, Data Science.

Skills

Machine Learning, Natural Language Processing, Artificial Intelligence, Python, SQL, Docker, Spacy, Numpy, Pandas, TensorFlow.

Other Activities

Gold Medalist in Bachelors.

Projects

Cloud based Distributer Management System(DMS).

Work Experience

KRUZR

Machine Learning Engineer Intern, Dec 2019 - August 2020

Working for ML team at Kruzr on building driver safety platform. Experience in working with IoT data from smartphone sensors and productionizing ML models at scale.

Education

Integrated B.E. and M.Sc Hons. (Hons. Mechanical Engineering) from Birla Institute of Technology and Science (BITS), Pilani in 2020
