

# JADEN WILLOW

## FRESHER INTERN

### EXECUTIVE SUMMARY

Strong engineering professional with a Master's degree in Big data analytics.

### WORK EXPERIENCE

JumpStart

Intern Trainee, Apr 2020 - July 2020

Create different machine learning and deep learning models. Evaluate those models and create end-to-end applications.

### PERSONAL SKILLS

Machine learning, Deep learning, Python, NLP, Computer vision, Image processing, SQL, Data analysis, Big Data, Spark, Apache hive, Apache pig, Tensorflow, Sklearn, Data visualization, Data science.

### ACADEMIC PROFILE

B.Tech Darjeeling Engineering College in 2018.  
M.Tech from Calcutta university in 2020.

### PROJECTS

Application to classify the diseased Cotton leaf.

Air Quality index Information extraction from legal data.

### EXTRA-CURRICULARS

Natural language processing with Python Spark and Python for Big Data with Pyspark.
