

HARRY MILES

INTERN FRESHER

PROFILE

Industrious and collaborative individual, Currently looking for an opportunity in Machine Learning and Deep Learning roles. I have a good depth of knowledge in ML Algorithms, various CNN architectures, and worked on Time series data, Image captioning, NLP tasks. Interested to work with an enthusiastic team on business problems.

SKILLS

Python, MySQL, Tensorflow, Keras, Machine Learning, Deep Learning.

EXPERIENCE

ASM Management

Intern, Jan 2019 - Oct 2019

Understanding Image scaling models and using them for quality restoration of old images.

EDUCATION

B.Tech(Chemical) PPC University, 2020

PROJECTS

Progress report and highlighting using NLP.

ACTIVITIES

MACHINE LEARNING COURSE - TMLF
